Mississippi Law now requires healthcare professionals or occupational education students enrolled in programs whose primary purpose is to prepare professionals to render patient care services submit to criminal background checks and fingerprinting prior to beginning any clinical rotation in a licensed healthcare entity. If such fingerprinting or criminal background checks of the student discloses a felony conviction, guilty plea or plea of nolo contendere to a felony of possession or sale of drugs, murder, manslaughter, armed robbery, rape, sexual battery, sex offense listed in Section 45-31-3 (I), child abuse, arson, grand larceny, burglary, gratification of lust, aggravated assault or felonious abuse and/or battery of a vulnerable adult which has not been reversed on appeal or for which a pardon has not been granted, the student shall not be eligible to be admitted to such health program of study or will not be eligible to participate in clinical training in a licensed entity. The student's eligibility to participate in the clinical training phase of their healthcare program shall be voided if the student receives a disqualifying criminal record check.

In addition to the disqualifying events listed in Section 37-29-232 of the Mississippi Code of 1972 annotated, clinical affiliates may, at their discretion, refuse to provide clinical experiences to any student whom the clinical affiliate feels are not suitable for employment or for the clinical experience setting.

Any drug conviction; bodily harm, neglect or abuse, or felony DUI conviction within a year of starting date of class is cause for denial of the clinical experience setting. Any convictions more than a year beyond the starting date of class will be examined by the “Review Standards Committee” with a decision rendered if the student is allowed to participate in the clinical experience setting. Any charges pending a resolution will require documentation of disposition from the student.

*Even though the student may be allowed to progress in the chosen Health Education or Nursing program, local licensure agencies and state boards may not permit or accept an individual for registration, permit or licensure. **Employability is not guaranteed in the chosen health education or nursing program. A student may complete some or all academic core courses prior to program admission; however, the course of study will remain two years. If accepted into the program, a student must remain enrolled full time (12 or more semester hour credits) each semester.***
