Admission Requirements

Progression: To meet graduation requirements for these programs, students must successfully complete the specified courses listed below with a "C" average (GPA of 2.00) or better. A grade of "C" or higher is required in each program specific course to progress in the program.

Minimum admission requirements (In addition to general admission requirements):

Attain a 17 composite score on the ACT;

Or

Score a 70 or higher on the ACCUPLACER reading section and a 60 or higher on the arithmetic section;

Or

Complete 15 semester hours of program general education coursework with an average of "C" or above at an accredited college or university. Developmental coursework and EMT Basic course credits do not satisfy this requirement;

Or

Complete a minimum of 100 hours of related certification training through a recognized fire academy or emergency service training institution. Note: Meeting this requirement allows a student to enter the ESD program on a provisional basis. Other admission requirements must be met in order to enroll in general education courses;

And

Complete a student interview with the program coordinator after all other requirements have been met. Students must contact the program coordinator for enrollment in any Fire Protection Technology or Emergency Management and Communications Technology course.
