Your 2016–2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

Note: We may require additional documentation if we have reason to believe that the information regarding the household members enrolled in eligible postsecondary educational institutions is inaccurate.
C. Verification of Student’s 2015 Income

Instructions: Complete this section if the student and spouse filed or will file a 2015 IRS income tax return(s). The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. In most cases, no further documentation is needed to verify 2015 IRS income tax return information that was transferred into the student’s FAFSA using the IRS DRT if that information was not changed.

In most cases, for electronic filers, 2015 IRS income tax return information for the IRS DRT is available within 2–3 weeks after the 2015 electronic IRS income tax return has been accepted by the IRS. Generally, for filers of 2015 paper IRS income tax returns, the 2015 IRS income tax return information is available for the IRS DRT within 8–11 weeks after the 2015 paper IRS income tax return has been received by the IRS. Contact the financial aid office if more information is needed about using the IRS DRT.

Check the box that applies:

☐ The student has used the IRS DRT in FAFSA on the Web to transfer 2015 IRS income tax return information into the student’s FAFSA.

☐ The student has not yet used the IRS DRT in FAFSA on the Web, but will use the tool to transfer 2015 IRS income tax return information into the student’s FAFSA once the 2015 IRS income tax return has been filed.

☐ The student is unable or chooses not to use the IRS DRT in FAFSA on the Web, and instead will provide the school a 2015 IRS Tax Return Transcript(s). (signature required)

To obtain a 2015 IRS Tax Return Transcript, go to www.IRS.gov and click on the “Get Transcript Online” link, or call 1-800-908-9946. Make sure to request the “IRS Tax Return Transcript” and not the “IRS Tax Account Transcript.” Use the Social Security Number and date of birth of the first person listed on the 2015 IRS income tax return, and the address on file with the IRS (normally this will be the address used on the 2015 IRS income tax return). In most cases, for electronic filers, a 2015 IRS Tax Return Transcript may be requested from the IRS within 2–3 weeks after the 2015 IRS income tax return has been accepted by the IRS. Generally, for filers of 2015 paper IRS income tax returns, the 2015 IRS Tax Return Transcript may be requested within 8–11 weeks after the 2015 paper IRS income tax return has been received by the IRS.

If the student and spouse filed separate 2015 IRS income tax returns, 2015 IRS Tax Return Transcripts must be provided for both.

☐ Check here if a 2015 IRS Tax Return Transcript(s) is provided.

☐ Check here if a 2015 IRS Tax Return Transcript(s) will be provided later.

Complete this section if the student and spouse will not file and are not required to file a 2015 income tax return with the IRS.

Check the box that applies:

☐ The student and spouse were not employed and had no income earned from work in 2015 (Student and/or spouse will need to request a non-filing letter from the IRS by following the steps above).

☐ The student and/or spouse were employed in 2015 and have listed below the names of all employers, the amount earned from each employer in 2015, and whether an IRS W-2 form is provided. [Provide copies of all 2015 IRS W-2 forms issued to the student and spouse by their employers]. List every employer even if the employer did not issue an IRS W-2 form.

If more space is needed, provide a separate page with the student’s name and ID number at the top.

D. Verification of SNAP

The student and/or spouse certify that a member of the student’s and/or parents’ household received benefits from the Supplemental Nutrition Assistance Program or SNAP (formerly known as the Food Stamp Program) sometime during 2015. SNAP may be known by another name in some states. For assistance in determining the name used in a state, please call 1-800-4FED-AID (1-800-433-3243).

Students will need to turn proof of SNAP benefits from 2015. This should be obtained from your local DHS office.

_____ No one in the household received SNAP benefits for 2015.

E. Child Support Paid

The student and/or spouse certify that a member of the student’s and/or parents’ household paid child support sometime during 2015.

_____ No one in the household paid child support for 2015.

List below the names of the persons who paid the child support, the names of the persons to whom the child support was paid, the names of the children for whom the child support was paid, and the total annual amount of child support that was paid in 2015 for each child.

If more space is needed, provide a separate page that includes the student’s name and ID number at the top.

<th>Name of Person to Whom Child Support was Paid</th>
<th>Name and Age of Child for Whom Support Was Paid</th>
