THE ALMA MATER

Come one, come all you scholars bold;
Arrive with dreams that will unfold;
The scholar's time to seek and learn;
For MCC the lamps must burn.

Burning bright, burning bright
Keep those flames of burnished light;
Burning bright, burning bright,
Building up our future's might.

Come one, come all, from village small,
From town and cities bold and tall.
The lamps are lit at MCC
To beckon onward you and me.
